

Consultation coming
soon...

We will be launching our
consultation in January 2024

OUR PLAN:

Six local schools are assessing a potential opportunity to establish a new MAT for the benefit of the children and local community.

WHICH SCHOOLS?

- Lindley Juniors
- Moorlands Primary
- Reinwood Infant and Nursery
- Reinwood Juniors
- Salendine Nook High School
- Spring Grove Junior, Infant and Nursery

Has anything been agreed?
The heads and governing bodies have agreed to work towards an application. Part of this application involves seeking your feedback.

WHY ARE WE PLANNING TO DO THIS?

We will set out all our thinking, reasons, and the potential benefits in the consultation.

We will also explain how we plan to minimise any risks.

CONCERNS?

Please wait for the consultation. This is very early days in planning. The Department for Education is aware of our plans, but there is much work to do before we can decide whether we have a viable plan.
